

## **PUBLIC NOTICE**

### **REMOVAL OF PERSONAL PROPERTY FROM CITY SNOW STORAGE LOTS & EASEMENTS REQUIRED**

With the first snow of the season, the Public Works Department is preparing for snow removal operations.

All personal property must be removed from City snow storage lots and easements at this time. This includes vehicles, boats, trailers, snowmachines, basketball hoops, etc.

Leaving your belongings in these areas once snow is on the ground could result in a citation or vehicle impoundment for impeding snow removal operations.

Questions about city snow removal or snow storage lots? Snow removal maps by area can be found at: <https://www.valdezak.gov/152/Public-Works>.

Contact City Public Works at 907.835.4473 or [efrank@valdezak.gov](mailto:efrank@valdezak.gov).
