2023 Valdez Beautification Matching Grant Program

City of Valdez Beautification Commission Mission: Work to advocate for, promote, and enhance the aesthetics of the local human-built environment to reflect the beauty of the surrounding natural environment.

Valdez Beautification Matching Grant Program Mission: Work to build community, a sense of place, and civic pride through funding beautification projects focused on the aesthetics of Valdez, including but not limited to design, landscaping, and public art.

The Valdez Beautification Matching Grant Program offers a financial incentive designed to assist local businesses or property owners in improving the business setting for investors as well as providing an overall upgrade in appearance for residents and visitors.

2023 will be the eighth year of the program and continues with the expansion of eligible properties outside the core downtown district.

The 2023 matching grant program's goal is to improve the overall aesthetics of Valdez through:

- Improving the overall quality of building/structure façades in order to attract more local residents and visitors to shop, eat, and do business in Valdez.
- Encouraging businesses to invest in additional aesthetic and design improvements including landscaping and public art.
- Encouraging and incentivizing property/business owners to reinvest in our community.
- Encouraging grant applicants to strengthen the local economy through utilizing local vendors, contractors, and materials.

ELIGIBLE PROPERTIES:

Eligible buildings must be used for commercial or mixed-use purposes.

Eligible properties shall be geographically located in one of two "tiers". Due to program goals and limited program funding, properties listed in Tier One will be given first priority for grant selection, however Tier Two properties may also be considered.

TIER ONE: Eligible properties located in the downtown area of Valdez. The downtown area is bordered by North Harbor Drive and Fidalgo Drive to the south, Pioneer Drive to the north, Meals Avenue to the east, and Hazelet Avenue to the west, and along the Richardson Highway from Meals Avenue to Crooked Creek. To be eligible for Tier One, properties must additionally have not have received Valdez Beautification Matching Grant funds in the past.

TIER TWO: Eligible properties located within Valdez city limits, but outside the downtown area. Eligible properties which have previously received a beautification matching grant also fall into Tier Two.

INELIGIBLE PROPERTIES:

Strictly residential properties, home-based businesses, and properties with delinquent property taxes are not eligible for the matching grant program.

GUIDELINES:

Grants will not be granted retroactively. All projects must be approved before any work begins.

Property owners should be the applicant when possible. If an applicant is not the owner of the building, they must obtain the property owner's written approval prior to applying.

Any changes to the project after grant approval must be approved before work commences or the grant will be forfeited.

Eligible aesthetic improvements must be to the exterior of a building and include, but are not limited to:

- Significant overall architectural or design improvements.
- Landscaping improvements – including artwork or murals
- Removal of old signage and exterior clutter (including the removal of unsightly structures or Conex containers from properties).
- Façade improvements – i.e., signage upgrades, murals, siding, etc.

ELIGIBLE COSTS (WITH APPROPRIATE DOCUMENTATION):

- Materials and shipping costs for approved improvements.
- Costs from appropriately licensed third-party vendors or contractors.
- Architectural and engineering services.
- City fees and permits directly related to the project.

INELIGIBLE COSTS:

- Improvements commenced prior to application approval or issuance of notice to proceed.
- Improvements not specifically listed in the grant application.
- Improvements which are considered routine maintenance (examples include replacement of light bulbs without an associated façade improvement, pavement replacement without an associated landscaping improvement, etc.)
- Simple replacement of like items, such as a replacement of a sign with the exact same sign.
- Improvements made to previous work funded by a Beautification Matching Grant, unless the work is part of a phased beautification project.
- Repairs caused by damage to a building, structure, or property that should be completed through an insurance claim.
- Partial or full roof replacement.

- Improvements or work to a building or structure not yet built.

SELECTION PROCESS:

Total funding available for the Valdez Beautification Matching Grant Program is determined by the Valdez City Council. Due to limited funding, projects meeting the criteria of this program will be presented to the City of Valdez Beautification Commission for selection.

Applications are due to the City Clerk's Office no later than 5:00 p.m. on March 9, 2023. Applications received after the due date shall not be considered.

Applicants will submit a complete grant application to the City Clerk's Office at City Hall. This application must include:

- Detailed written description of proposed work;
- Sketches or drawings of proposed improvements, including samples/photographs of paint colors or materials to be used (do not need to be professionally drawn, but are required for application consideration);
- Color "before" photographs of the area or areas to be improved;
- Bids for contracted work;
- Budget breakdown – including itemized list of costs associated with the project; and
- A letter/narrative addressed to the Beautification Task Force explaining how the proposed work adds to the aesthetics of your property and our community

Applications without design sketches or renderings will not be considered. Sketches and renderings do not need to be professionally completed. The City may require more detail in order to issue permits after application approval.

Please note: Depending on available funding for the grant program, awarded matching grants may be less than the full amount requested in the project application.

Eligible projects will be scored by the Beautification Commission during their regular March 2023 meeting utilizing the score sheet on page four of this document.

Projects will be given higher priority if they make substantial visible improvements, are high visibility projects, result in improvements to surrounding properties, utilize locally procured materials/labor/contractors, and/or fall in Tier One as described above. Removal of exterior clutter, landscaping projects, public art and building façade improvements will also be given higher priority in the selection process. Plans for ongoing upkeep of proposed improvements will also be considered by the commission.

The Beautification Commission will then forward the recommended list of grant awardees and grant amounts to the Valdez City Council for final funding approval at the next available regular Council meeting. Once grant projects are approved, City staff will mail matching grant award letters which include a "Notice to Proceed" for the project. The Notice to Proceed document must be signed by the grant recipient and returned to the City Clerk's Office before grant construction.
