HARBOR ORDINANCES

Pursuant to Valdez City Code Section 11.04.080, to remain qualified for storage space, a boat must be seaworthy, must be equipped in accordance with Valdez City Code Section 11.04.090 and must have sufficient motive power to permit the boat to be maneuvered and controlled safely in and out of the boat harbor. Upon failure of a boat to qualify, the harbormaster may require, upon notice to the boat owner, that the rental agreement be canceled and that such boat be removed within one week. Failure to remove the boat within the time specified shall subject the boat to impoundment or removal as a nuisance in accordance with 11.04.110 and 11.04.120.

Pursuant to Valdez City Code Section 11.04.100, unpaid rentals, charges and fees for space and services in the Valdez Boat Harbor shall be a personal liability of the boat owner, holder of the reserved space, and person who incurred the charge. Any change of ownership notification is the responsibility of the current owner until the buyer completes a new storage agreement. In addition to being a personal liability, these fees, charges and rentals constitute a lien on the boat and should any such unpaid fees and charges be unpaid or unsecured for ninety consecutive days after due, any boat upon which such rentals or fees have accrued shall be impounded and sold by the harbormaster for the unpaid charges and fees under the provisions of Section 11.04.110.

Boats declared nuisances pursuant to Valdez City Code Sections 11.04.120A and B and other nuisances described in Valdez City Code Section 11.04.120C are subject to abatement and removal.

Any impoundment, abatement, removal, storage or other fees incurred when boats or other items are removed under direction of the Harbormaster or other city officer are the sole responsibility of the boat owner, operator and/or person executing this agreement.

Use of the boat harbor facilities is governed by Chapter 11 of the Valdez City Code and the provisions of that chapter are incorporated into and made a part of this agreement as though they were fully set forth herein. Boat owners and operators are advised to fully acquaint themselves with these code provisions.
