

VALDEZ FIRE STATION 1 OPEN HOUSE

Friday, April 19th ~ 5:30-7:30 p.m.

Fire Station 1 - Directly behind City Hall at 212 Chenega Street.

Come by, tour the current facility and review the proposal for the new fire station.

(Please park in the main City Hall parking lot. Open house is family friendly.)

NEW FIRE STATION PROJECT OVERVIEW

Valdez Fire Station 1 provides the primary response to fires and emergencies throughout the city and surrounding area. The station is Valdez's only continuously staffed fire and emergency medical services facility, with both full-time and volunteer responders and a complement of emergency and firefighting apparatus. Originally built to serve less than 1,000 residents, **the 52-year old facility no longer meets community needs.**

For additional project information updates and opportunities for input, visit:
